

We are the people of hope!

It has been a year of remarkable natural disasters – hurricanes and floods in Texas, Louisiana, Florida, South Carolina, the U.S. Virgin Islands and Puerto Rico, in addition to earthquakes, avalanches and landslides in Africa, Asia and South America. Thousands of lives have been lost and tens of thousands have been displaced, living without electricity, sanitation and clean water.

In this season of joy, as we await the coming of Jesus, we can also remember that for Mary and Joseph, the birth of our savior was a time of anxiety and hardship. Advent is a time to remember this journey and to live out God's calling to care for those in need.

For this reason, I hope you will join me in an Advent Offering that supports the United Methodist Committee on Relief (UMCOR) for domestic and international relief, and to also care for those suffering hardship from natural disasters in Michigan. We are the people of hope! We are the people of God! And together, we can help bring light into the lives of those who are struggling in the dark.

Blessings for a joyous Christmas season!
